

I am a K-LOVE listener and I believe K-LOVE has family-friendly programming that supports wholesome values and has a positive and encouraging impact on my community. It's inspiring music brings joy to the hearts of so many people. The K-LOVE news is up-beat and interesting. I prefer it over the normal down-beat news of other stations. Also K-LOVE announcements keep me informed of points of interests in my area. I am concerned about the effect it would have on our local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming.
